Re: FOIA Request for EPA Documents
Entity: Didion Milling, Inc.
EPA Registry Ids: 110016877021, 110056972780
Location: 501 S. Williams Street, Cambria, Wisconsin 53923
Accident Date: May 31, 2017

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, we are requesting copies of records related to the Didion Milling, Inc. facilities located in Cambria, Wisconsin, including any investigation the EPA may have done following the May 31, 2017 explosion and fire. Our office represents an interested party in possible litigation arising from the May 31, 2017 accident.

Please provide copies of all materials related to the Didion Milling facilities in Cambria, Wisconsin and the EPA's investigation of the May 31, 2017 accident, including but not limited to the following:

- (1) Permitting documents (including applications, submissions, and questionnaires) for the Didion Milling facilities in Cambria, Wisconsin;
- (2) Inspection, facility assessment, and compliance documents, including those related to any violations, citations, or fines, for the Didion Milling facilities in Cambria, Wisconsin;
- (3) Drawings, photographs, videos, maps, or schematics related to the Didion Milling facilities in Cambria, Wisconsin;
- (4) Reports, summaries, notes or documents authored by the EPA related to the May 31, 2017 accident, including those referencing any violations, citations, or fines;

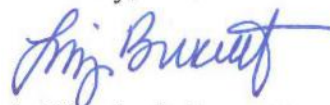

-
- (5) Photographs, maps, drawings, videos, recordings, or other documentation of the scene or equipment involved in the May 31, 2017 accident;
 - (6) Witness or employee statements or interviews taken by or provided to the EPA, including any recordings, transcripts, notes, or summaries from these interviews or statements;
 - (7) The results of any tests performed on equipment or physical samples (including any dust samples) related to the May 31, 2017 accident;
 - (8) Any materials provided to the EPA by Didion Milling, Inc. or other parties related to the accident or the EPA's investigation of the accident;
 - (9) Communications between the EPA and any state or federal agency or regulatory body related to the May 31, 2017 accident, including the U.S. Occupational Health and Safety Administration, the U.S. Chemical Safety and Hazard Investigation Board, and the Department of Justice;
 - (10) Communications between the EPA and Didion Milling, Inc. related to the accident;
 - (11) Internal EPA communications related to the May 31, 2017 accident; and
 - (12) Any materials related to the May 31, 2017 accident that were obtained by the EPA pursuant to the Freedom of Information Act or other public records request.

Please forward the requested materials to my attention and be advised that we are willing to pay reasonable charges and fees incurred in copying these records.

If you have any questions relating to this request or require additional information, please contact me at eburnett@robinskaplan.com or 612.349.0926.

Thank you in advance for your assistance.

Sincerely,

A. Elizabeth Burnett
